

YOUR KESIMPTA[®] DISCUSSION GUIDE

Talk to your doctor about your options.

Only you and your doctor can decide if Kesimpta[®] should be part of your treatment. They can answer all your questions and go over this medication with you in detail.

Here are a few simple questions to ask your doctor:

1. Can I take Kesimpta[®] at home, or does it need to be administered by a doctor?
2. How should I take Kesimpta[®]?
3. Could Kesimpta[®] be a good treatment for me?
4. What kind of patients can benefit from Kesimpta[®]?
5. How does Kesimpta[®] work?
6. How is Kesimpta[®] different from other medications?
7. Are there any side effects that I should know about?
8. What factors should I think about when choosing a medication?
